

Paper 1: Listening

Externally assessed

1.1 Introduction

Listening

Students are required to convey their understanding of spoken Spanish through a series of listening tasks.

Students must be able to:

- identify and note main points
- deduce the meaning of words from context
- extract specific details
- identify points of view
- show some understanding of unfamiliar language
- recognise attitudes, emotions and opinions.

This paper will feature questions drawn from a variety of sources, which all relate to the topics. These sources should be considered as different contexts in which students can write and understand Spanish. Specialist and/or technical Spanish vocabulary or detailed specialist knowledge of the topics are not required.
