

2.3 Equations

Subject content	Guidance	Curriculum reference
A Solve simple equations using one variable	$4x + 3 = 19$ $4x = 16$ $x = 4$	N6.8F
B Find pairs of numbers that satisfy an equation with two variables	Find all solutions to this equation: $m + n = 3$ $1 + 2 = 3$ or $2 + 1 = 3$	N6.8D
