

4.8.5 Moderation

Coursework is assessed by the teacher responsible for the module or by someone else approved by the Centre. It should be completed and submitted within a time interval appropriate to the task.

Consequently the teacher has two roles. While the student is working on coursework, the teacher may give assistance as described earlier. However, once the student has handed in the final write-up, the teacher becomes the assessor and no further help may be given. Only one assessment of a piece of coursework is permitted; it may **not** be handed back for improvement or alteration.

The coursework is assessed over a number of domains according to the criteria laid down in the unit specification. The method of assessment of Oral Communication should be stated and a brief report on the outcome written in the space provided on the assessment sheet.
