

2c. Core content of GCSE (9–1) in Art and Design

The following core content outlines the scope, context, approaches, skills and knowledge and understanding which underpin all Art and Design specification titles within the suite of qualifications. This needs to be used in conjunction with the detailed content provided for each specification title.

Scope and Context	The specification is designed to encourage, enable and inspire learners to: • actively engage with the creative processes of art, craft and design in their chosen title(s) and area(s) of study • develop, through the course of study, to be reflective thinkers with enquiring minds • become effective and independent learners through the study of art, craft and design • develop their creative, imaginative and intuitive capabilities when exploring, creating and producing their images, artefacts and products • become confident in taking risks, learning from their experiences through exploring and experimenting with ideas, processes, materials, techniques, digital and non-digital media • develop critical understanding through their chosen area(s) of study, using personal interpretation, considered selection of sources and independent judgements through an active investigation process • develop and refine their ideas, supported by an understanding of their context and what has informed them • work through purposeful engagement with an appropriate range of media, materials, techniques, processes and technologies with the purpose and intent to impact on the progress of work • develop knowledge and understanding of art, craft and design in historical and contemporary contexts, societies and cultures appropriate to their chosen area(s) of study • develop through the course of study, an awareness of the different work practices and roles of the creative and cultural industries in the production of art, craft and design • show an understanding of the purpose, intentions and functions of art, craft and design, and how this impacts on their own work • identify and acknowledge all sources used during their research which should be in the form of a bibliography of books, journals and websites • demonstrate safe working practices in art, craft and design.
