

Skills	Learners are required to demonstrate the knowledge, skills and understanding as defined in the Art and Design Core Content section of this specification in the context of their chosen area(s) of Fine Art. In addition, learners will be required to demonstrate skills in the following: • develop their ideas through investigations informed by selecting and critically analysing sources • apply an understanding of relevant fine art practices in the creative and cultural industries to their work • refine their ideas as work progresses through recording, selecting, editing and presenting fine art artefact(s)/product(s)/personal outcome(s) • record their ideas, observations, insights and independent judgements, in ways that are appropriate to the Fine Art title such as, drawing or photographing • use appropriate specialist vocabulary through either visual communication or written annotation, or both, within Fine Art • use visual language critically as appropriate to their own creative intentions and chosen area(s) of study through effective and safe use of: ○ media ○ materials ○ techniques ○ processes ○ technologies • use drawing skills for different needs and purposes, appropriate to the area(s) of study used. Drawing may take the form of mark-making, sketching or linear representations using appropriate media and materials • realise personal intentions in Fine Art, through the sustained application of the fine art process.
Knowledge and Understanding	Learners are required to demonstrate the knowledge and understanding listed below through practical application of skills to realise personal intentions relevant to their chosen area(s) of Fine Art. Learners are required to know and understand how sources inspire the development of their ideas. Reference should be made to the following: • the work and approaches of fine artists from contemporary and/or historical contexts, periods, societies and cultures • contemporary and/or historical environments, situations or issues • other relevant sources researched by the learner in their chosen area(s) of fine art • the ways in which meanings, ideas and intentions can be communicated through visual and tactile language, using formal elements, including: ○ colour ○ line ○ form ○ tone ○ texture • the characteristics, properties and effects of using different media, materials, techniques and processes, and the ways in which they can be used in relation to learners' own creative intentions and chosen area(s) of Fine Art • the different purposes, intentions and functions of Fine Art in a variety of contexts and as appropriate to learners' own work.
