

10.04	Volume and surface area calculations				
10.04a	Polyhedra	Calculate the surface area and volume of cuboids and other right prisms (including cylinders).			G16

GCSE (9–1) content Ref.	Subject content	Initial learning for this qualification will enable learners to...	Foundation tier learners should also be able to...	Higher tier learners should additionally be able to...	DfE Ref.
10.04b	Cones and spheres		Calculate the surface area and volume of spheres, cones and simple composite solids (formulae will be given).		N8, G17
10.04c	Pyramids		Calculate the surface area and volume of a pyramid (the formula $\frac{1}{3}$ area of base × height will be given).		G17
