

4. Traditions and Innovation

American Minimal Music – Mertens (Kahn and Averill, 1980)

Indian Music in Education – Farrell (CUP, 1999)

Indian Music in the West Farrell, G (OUP 1997)

Music Worldwide Sharman, E (CUP 1998)

Salsa Guidebook Mauleon, R (Sher 1993)

Salsa Session - Beck, H/Simonsen, K & Sulsbruck, B Wilhelm Hansen (Copenhagen) Practical salsa arrangements

Songlines Magazine Vol.1 (Gramophone Publications, 1988), though now out of print, contains an article on Son

The Latin tinge – the impact of South American music on the US – Roberts (OUP, 1999)

The Rough Guide to World Music Vol. 1 Broughton, S, Ellingham, M & Trillo, R (London: Rough Guides 1999)

The Rough Guide to World Music Vol. 2 Broughton, S & Ellingham, M (London: Rough Guides 2000)

WOMAD Guides *Music of India, Music of the Carribean; Music of Indonesia; Music of West Africa* These are currently out of print

Selective Discography

Buena Vista Social Club (World Circuit, 1997) is available as a CD and video, based around traditional Cuban Music

Rough Guide CDs, specifically *Rough Guides to Cuban Son, Salsa, Salsa Dance* and *Bhangra*.

Shakti/John McLaughlin is an example of Indian/Jazz fusions e.g. *Best of Shakti* (Moment, US)

Talvin Singh's album 'OK' (Island, 1998) is an Asian Underground fusion of Indian classical and western popular music styles/music technology production techniques (Mercury Music Prize winner 1999)

The Beatles album *Sgt. Pepper* (1967) includes 'Within You, Without You' - Indian music within western popular styles

Websites

[<http://dhol.uv.net/>](http://dhol.uv.net/) is a specialist site for Bhangra run by Johnny Dhalsi (former member of Alaap)

[<http://www.knockonwood.co.uk/>](http://www.knockonwood.co.uk/) is an excellent website for World Music material

<http://www.worldmusic.net/>

11 Arrangements for Candidates with Special Needs

For candidates who are unable to complete the full assessment or whose performance may be adversely affected through no fault of their own, teachers should consult the *Inter-Board Regulations and Guidance Booklet for Special Arrangements and Special Consideration*.

In such cases, advice should be sought from the OCR Special Requirements team (tel 01223 552505) as early as possible during the course.

12 Support and In-Service Training for Teachers

To support teachers using this specification, OCR will make the following materials and services available:

- a full programme of In-Service training meetings arranged by the Training and Customer Support Division (telephone 01223 552950);
- specimen question papers and mark schemes, available from the Publications Department (telephone 0870 8706622, fax 0870 8706621);
- past question papers and mark schemes, available from the Publications Department (telephone 0870 8706622, fax 0870 8706621);
- coursework guidance materials;
- examples of marked work;
- written advice on coursework proposals;
- a report on the examination, compiled by senior examining personnel, after each examination session;
- individual feedback to each Centre on the moderation of internally assessed work.

Appendix A Language for Learning: Summary List

This Appendix contains is in two sections:

1. General musical terms
2. Terms specific to Areas of Study

1. GENERAL MUSICAL TERMS

This is a list of **General musical terms** which pervade all components and Areas of Study. These terms are intended to support the whole specification and to provide a near-exhaustive glossary of the musical terminology with which candidates need to be familiar.

Dynamics:

Dynamics: fortissimo, forte, mezzo forte, mezzo piano, piano, pianissimo, crescendo, diminuendo, subito, accent, sforzando, silence.

Melody and Harmony:

Harmony: tonic, dominant, harmonic rhythm, major/minor chords, cadences (perfect, plagal, interrupted and imperfect).

Melody: step and leap, ornamentation, sequence, repetition, modulation, motivic/melodic development, improvised.

Notation:

Notation: Treble and bass clef, notation of rhythm, key signatures (normally up to 4 sharps and flats), common signs and symbols, common performing directions (see Tempo)

Rhythm, Duration and Metre:

Rhythm and duration: simple and compound rhythms, note values, triplet, pulse, beat, dotted rhythm.

Metre: simple duple, simple triple, simple quadruple, compound duple, regular, irregular, free, syncopation, off beat, cross rhythm, swing rhythm.

Structure:

Structure: binary, ternary, rondo, theme and variation, strophic, call and response, 12 bar blues, ostinato/riff, introduction, coda, verse and chorus, middle eight, interlude.

Tempo:

Tempo: adagio, largo, andante, moderato, allegro, vivace, presto, accelerando, rallentando (ritenuto), allargando, rubato, pause.

Texture and articulation:

Texture and articulation: legato, staccato, tremolo, counterpoint, polyphonic, homophonic, solo, unison, doubling, 2/3/4 part, tutti, melody and accompaniment, counter melody, descant, contrapuntal, imitation.

Timbre (instruments and voices):

Vocal Music: treble, soprano, contralto, tenor, bass, baritone, falsetto.

Acoustic Instruments: common instruments of the following families: brass, woodwind, string, percussion.

Keyboard: organ, pianoforte, electronic keyboard/piano, harpsichord.

Other Instruments: Electric instruments used in popular music, sampler, synthesiser, sequencer, drum machine.

Instrumental and Vocal Ensembles: choir, chorus, backing vocals, orchestra, chamber orchestra, string orchestra, brass band/ensemble, military/wind band, dance band, big/jazz band, common chamber ensembles (e.g. continuo), rock band.

Tonality and Pitch, including scales, modes and intervals:

Tonality: atonal, bitonal and tonalities implied by the scales listed below.

Scales: major, minor, whole-tone, pentatonic, raga, mode (modal), tone row, blues, chromatic.

Intervals: Pitch names, sharp, flat, natural, unison, octave, intervals within an octave, range, register, step and leap, dissonant, consonant,

2. TERMS SPECIFIC TO AREAS OF STUDY

Area of Study 1: Exploiting the Resource

Range, compass, timbre, articulation and words associated with techniques specific to the instrument (e.g. arco, double-tonguing, rim shot, fill).

The names of the composers of the music studied should also be known.

Area of Study 2: Techniques of Melodic Composition

- Plainchant, *rag*, folksong, serialism, blues;
- Scales: mode (modal), pentatonic, major, minor, *raga*, tone-row, whole-tone, blue-note, microtone;
- Phrase/phrasing: anacrusis, answering phrase, question and answer, perfect, plagal, interrupted and imperfect cadences;
- Modulation: tonic, dominant, relative minor/major;
- Forms: binary, ternary, rondo, variation, the convention of describing melodic structures such as AABA, AABC, ABAC, *da capo*, *coda*, verse, chorus;
- Intervals: 2nd, 3rd, 4th, 5th, 6th, 7th, octave, unison, tone, semitone;
- Devices: repetition, inversion, ascending/descending sequence, motive, retrograde, imitation;
- Ornamentation: passing-note, trill, turn, grace-note.

It is expected that, through this, candidates will become familiar with the use of words associated with the resources used in the musical examples they study and that, as a minimum, candidates will be familiar with:

- the names of different types of voice (soprano, contralto, tenor, bass);
- the names of typical Baroque and Classical ensembles and their characteristic features (orchestra, string quartet, continuo, choir);
- the names of other resources commonly used in the styles defined in the Starting Point (*sitar* and *tabla*, jazz band).

The names of the composers of the music studied should also be known.

Area of Study 3: Dance Music

- Rhythm values: ($\frac{1}{4}$ beat to 4 beat), dotted notes, syncopation;
- Metre: simple time in 2, 3 and 4, compound time in 2;
- Pulse, accent, *sforzando*, *accelerando*, *ritenuto*, *rubato*;
- Harmony: tonic, dominant, harmonic rhythm;
- Middle eight; divisions; variations; ornamentation, *portamento*, *pizzicato*, hook;
- Renaissance instruments: pipe, tabor, crumhorn, recorder, viol, consort, lute, virginals;
- 19th century orchestra: all standard instruments;
- Pop instruments: all standard instruments;
- Synthesiser, mixing desk, remix, overlay, drum machine, amplification.

The names of the composers/performers of the music studied should also be known.

Area of Study 4: Traditions and Innovation

Bhangra: *bhangra* and *chaal* dance rhythms, *rag*, *tal*, *dhol*, *sitar*, *tabla*, *tanpura*, drone, electric guitar, bass, electronic keyboards, synthesisers.

Salsa: *son*, *clave*, cross rhythms, *montuno* and *choro* (chorus), *son* bands; guitar, *tres*, instruments of the Big Band, swing, walking bass, comping.

Minimalism: polyrhythm, cyclic, layering, phase, sequencing, sampling, editing, multi-tracking and mixing, tape loops.

The names of composers/performers of the music studied should also be known.

Instruments

Renaissance instruments: pipe, tabor, crumhorn, recorder, viol, consort, lute, virginals.

The names of typical Baroque and Classical ensembles and their characteristic features (orchestra, string quartet, continuo, choir).

19th century orchestra: all standard instruments.

Pop instruments: all standard instruments including synthesiser and drum machine.

Instruments of the big band/jazz band.

Indian Classical instruments, including *sitar* and *tabla*.

Indonesian Gamelan orchestra.

Instruments used in Salsa and Minimalism.

Appendix B Difficulty Marks for Performance

Difficulty Marks for Groups of Instruments

When making their assessment, teachers are reminded that the standard expected is one that can be achieved by candidates who have received tuition only in the classroom situation.

Advice is given on the choice of difficulty marks for specific groups of instruments. These are listed below, but are only intended as a guide.

Electronic keyboard	Strings
Tuned percussion	Woodwind and recorders
Untuned percussion	Brass
Guitar - chord style	Voice
Guitar - classical	Piano and organ

The level of difficulty requirements of a part assessed in the 0 - 1 mark band is given for each group of instruments, followed by an indication of what is required to build on that level of difficulty. An example of what might be required for the higher mark band is also provided.

These descriptors all refer to solo parts or pieces. In an ensemble, the relationship between the assessed part and the other parts must also be considered when determining the level of difficulty of the candidate's part. Terms such as 'easy key', 'easy leaps', etc. are specific to the instrument being assessed. It is not always possible to give comparable examples of 'easy keys' for all groups of instruments as these may vary for instruments within that group.

The following points should be noted when determining the difficulty mark for a particular part or piece:

- a part that clearly fulfils the descriptor for one instrument may be easier or more difficult when performed on a different instrument. This could be because of key, range, types of leaps etc;
- different arrangements of many popular pieces are available, each with its own specific degree of difficulty;
- some candidates may wish to perform a section of a piece, not the entire piece. In such cases, Centres should judge the difficulty of the section(s) submitted;
- in many solo pieces, the nature of the accompaniment may have a bearing on the difficulty of the candidate's part; this should be taken into account when deciding on the appropriate difficulty mark;
- in ensemble pieces, the inclusion/exclusion of other parts can affect the difficulty of the assessed part. It is important therefore that each performance submitted should be judged on the technical requirements of the particular submission presented.

Electronic keyboard

An example of a 0 - 1 mark band: a part in an easy key, with a melody using step movement, with easy leaps, and minimal changes in hand position; melody using mainly pulse notes, with perhaps a little easy quicker movement; basic chord changes - e.g. one per bar, using easy single finger chords. The part has a simple structure and requires a basic command of the technology. The style is simple in its demands. In an ensemble, the assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult melody in range and/or leaps
- Duration: rhythmically more difficult; use of staccato/legato; quicker chord changes
- Tempo: more difficult tempo; requiring more control and/or dexterity
- Timbre: good use/control of sound bank
- Texture: harmony in the right hand; more complex chords; fingered chords
- Structure: the addition of contrasting sections or new demands; phrasing; use of fill-ins; increased difficulty in relation to any other parts
- Style: more complex in its requirements.

An example of the 4 - 5 mark band: a part in a more difficult key e.g. D major, G minor, with a wider range of notes and changes in hand position; some syncopated rhythms in the right hand; quicker chord changes and a wider range of chords; challenges posed by the speed of the part; use of harmony in the right hand; a mastery of the technology is required.

Tuned percussion

An example of the 0 - 1 mark band: a part in an easy key, with a melody using step movement, with easy leaps and a limited range; melody using mainly pulse notes, with perhaps a little easy quicker movement; perhaps a simple second part moving slowly; basic in its use of dynamics and tempo. The part has a simple structure. The style is simple in its demands. In ensemble, the assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult melody in range and/or leaps
- Duration: rhythmically more difficult; use of tremolando
- Dynamics: dynamic contrasts including gradations in volume
- Tempo: use of tempo requiring more control and/or dexterity
- Timbre: use of the different timbres available from the instrument.
- Texture: addition of a more demanding second part with some complexity
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts
- Style: more complex in its requirements.

An example of the 4 - 5 mark band: a part in a more difficult key e.g. D major, G minor with a wider range of notes and leaps; some syncopated or dotted rhythms; dynamic contrast required, showing good control and use of both beaters; agility of beaters to manage the speed of the part; use of harmony and tremolando.

Untuned Percussion

An example of the 0 - 1 mark band: rhythm using crotchets and quavers, with perhaps some easy dotted rhythms, or simple compound time. Where the instrument requires the use of more than one sound source e.g. congas, the complexity of the relationship between the two or more sounds must be considered. Where the genre of the instrument includes repetition of a pattern, e.g. drum kit, this will need to be considered. Basic in its use of dynamics and tempo. The part has a simple structure. The style is simple in its demands. The assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Duration: rhythmically more difficult; use of rolls; use of flams etc
- Dynamics: dynamic contrasts including gradations in volume
- Tempo: use of tempo requiring more control and/or dexterity
- Timbre: use of the different timbres available from the instrument
- Texture: the number of sound sources used and consideration of their complexity
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to any other parts
- Style: more complex in its requirements.

An example of the 4 - 5 mark band: a part requiring rhythmical dexterity; perhaps more dotted rhythms, and some syncopation; good use of dynamic contrast through effective control of drumsticks; contrasting sections perhaps including an improvisatory section.

Guitar - chords style

An example of the 0 - 1 mark band: a part in an easy key. Chords mainly primary, with some easy secondary, and no changes in position. Chord changes mainly minims and semibreves, with perhaps a little easy crotchet change. Strumming in a simple style. Basic in its use of dynamics and tempo. The part has a simple structure. The style is simple in its demands. The assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult chords
- Duration: more frequent chord changes; more complicated rhythm
- Dynamics: dynamic contrasts including gradations in volume
- Tempo: use of tempo requiring more control and/or dexterity
- Timbre: use of the different timbres available from the instrument
- Texture: density of the chords; more intricate strumming
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts
- Style: more complex in its requirements.

An example of the 4 - 5 mark band: a part in a more difficult key e.g. D major, G minor, with a wider range of chords (with notes other than the basic triads), requiring left hand dexterity; chord changes more rapid and complex; a more than basic right hand technique:

Guitar – classical

An example of the 0 - 1 mark band: a part in an easy key, with a melody using step movement, with easy leaps and a limited range. No position work and melody using mainly pulse notes, with perhaps a little easy quaver movement. Perhaps polyphonic, occasionally with the second part moving slowly. Basic in its use of dynamics and tempo. The part has a simple structure. The style is simple in its demands. The assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult in range and/or leaps; some position work
- Duration: rhythmically more difficult
- Dynamics: dynamic contrasts, including gradations in volume
- Tempo: use of tempo requiring more control and/or dexterity
- Timbre: use of the different timbres available from the instrument
- Texture: addition of polyphony and/or homophony and consideration of its complexity
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts
- Style: more complex in its requirements.

An example of the 4 - 5 mark band: a part in a more difficult key e.g. G minor, with a wider range of notes; with changes in hand positions, and with leaps; dynamic contrast is required; the addition of a second part and chords; use of more complicated groupings of notes.

Strings

An example of the 0 - 1 mark band: a part in an easy key with a melody using step movement with easy leaps across adjacent strings and a limited range. There is only 1st position work and the melody uses mainly pulse notes with perhaps a little easy quicker movement. Basic in its use of dynamics and tempo and requiring elementary bowing technique and/or pizzicato. The part has a simple structure. The style is simple in its demands. The assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult in range and/or leaps; some position work
- Duration: rhythmically more difficult; use of staccato/legato
- Dynamics: dynamic contrasts including gradations in volume
- Tempo: requiring greater bow control to sustain a slower pace or to articulate a faster moving part
- Timbre: use of the different timbres available from the instrument
- Texture: addition of simple double stopping
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts
- Style: more complex in its requirements.

An example of the 4 - 5 mark band: a part in a more difficult key e.g. F major, C minor, with a wider range of notes, leaps and changes in hand position; some dotted rhythms; use of dynamic contrast; good bow control to sustain and phrase a slow moving melody, or challenges posed by the speed of the part, and subsequent dexterity required in both left hand and in bowing technique.

Brass

An example of the 0 - 1 mark band: a part in an easy key, with a melody using step movement and easy leaps, with the same valve or slide position, and a limited range. Melody using mainly pulse notes, with perhaps a little easy quicker movement, in a way that makes minimal demands in terms of breath control. Basic in its use of dynamics and tempo. The part has a simple structure. The style is simple in its demands. The assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult in range and/or leaps requiring greater embouchure control
- Duration: rhythmically more difficult; use of staccato, tonguing and slurring
- Dynamics: dynamic contrasts including gradations in volume
- Tempo: requiring greater breath control to sustain a slower pace or the dexterity to articulate a faster moving part
- Timbre: expressive control of the sound across the range of the instrument; use of different timbres available from the instrument
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts
- Style: more complex in its requirements.

An example of the 4 - 5 mark band: a part in a more difficult key, with a wider range of notes, and more difficult leaps; some dotted rhythms; use of dynamic contrast; good breath control to sustain and phrase a slow moving melody, or challenges posed by the speed of the part, and subsequent dexterity required in fingering and in embouchure/breath control.

Woodwind and recorders

An example of the 0 - 1 mark band: a part in an easy key, with a melody using step movement, with easy leaps and a limited range. For the clarinet, the melody would not be across the break and, for recorders, there would not be any pinched notes. Melody using mainly pulse notes, with perhaps a little easy quicker movement in a way which makes minimal demands in terms of breath control. Basic in its use of dynamics and tempo. The part has a simple structure. The style is simple in its demands. The assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult in range and/or leaps and technical control
- Duration: rhythmically more difficult; use of staccato, tonguing and slurring
- Dynamics: dynamic contrasts including gradations in volume
- Tempo: requiring greater breath and embouchure control to sustain a slower pace or the technical dexterity to articulate a faster moving part
- Timbre: use of different timbres available from the instrument; expressive control of the sounds across the registers of the instrument
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts
- Style: more complex in its requirements.

An example of the 4 - 5 mark band: a part in a more difficult key, with a wider range of notes, and more difficult leaps; some dotted rhythms; use of dynamic contrast; good breath control to sustain and phrase a slow moving melody, or challenges posed by the speed of the part, and subsequent dexterity required in fingering and in embouchure/ breath control.

Voice

An example of the 0 - 1 mark band: a part with a melody using a limited range, step movement, with easy leaps. Melody using mainly pulse notes, with perhaps a little easy quicker movement, in a way that makes minimal demands of breath control. Basic in its use of dynamics and tempo. The part has a simple structure. The assessed part fits easily with any other parts. The style is simple in its demands. The accompaniment supports the voice without consistently doubling the voice part.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: more difficult melody in terms of range and/or leaps
- Duration: rhythmically more difficult; increased demands in terms of diction
- Dynamics: dynamic contrasts including gradations in volume
- Tempo: greater breath control to sustain a slower pace, or the technical dexterity to articulate a faster moving part
- Timbre: some expressive control of the sounds across the vocal range
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts e.g. lack of support from any accompaniment present
- Style: more complex in its requirements.

An example of the 4 - 5 mark band: a part with a wider range of notes, and some leaps, resulting in challenges in pitching and intonation; some dotted rhythms; use of dynamic contrast; good breath control to sustain and phrase a slow moving melody, or challenges posed by the speed of the part and therefore requiring vocal dexterity.

Piano and organ

An example of the 0 - 1 mark band: a part in an easy key, with a melody using step movement, with easy leaps and minimal changes in hand position. Melody using mainly pulse notes, with perhaps a little easy quicker movement. Little independent movement of hands and/or the left hand moves steadily. For organ, no use of pedals. Basic in its use of dynamics and tempo. The part has a simple structure. The style is simple in its demands. The assessed part fits easily with any other parts.

To achieve a higher mark, the part would require one or more of the following in addition to the above:

- Pitch: a more difficult key; more difficult melody in range and/or leaps
- Duration: rhythmically more difficult; use of staccato/legato
- Dynamics: dynamic contrasts including gradations in volume
- Tempo: use of tempo requiring more control and/or dexterity
- Timbre: registration (organ); sensitivity of touch; use of pedal(s) (piano)
- Texture: addition of polyphony and/or homophony and consideration of its complexity e.g. independence of hands and/or feet
- Structure: the addition of contrasting sections or new demands; phrasing; increased difficulty in relation to other parts
- Style: more complex in its requirements.

An example of the 4 - 5 mark band: a part in a more difficult key e.g. B flat major, B minor, with a wider range of notes, and more difficult leaps; some changes in hand position; use of dynamic contrast; some simple independence of parts; challenges posed by the speed of the part.
