

Edexcel GCSE in Art and Design (2AD01, 2FA01, 2TD01, 2TE01, 2PY01, 2GC01)

Edexcel GCSE (Short Course) in Art and Design (3FA01, 3TD01, 3TE01, 3PY01, 3GC01)

Key skills development suggestions

Here are the key skills development suggestions as mentioned on *page 50* of the specification.

Key skill (Level 2) Application of number		Unit	Opportunities for development or internal assessment
N2.1	Interpret information from a suitable source.	Units 1 and 2	Planning the creation of artefact(s), installations, exhibitions.
N2.2	Use your information to carry out calculations to do with: a amounts or sizes b scales or proportion c handling statistics d using formulae.	Units 1 and 2	Calculations made in creating and presenting installations, moving image pieces, textiles pieces, photographs, constructions, prints, websites.

Key skill (Level 2) Communication		Unit	Opportunities for development or internal assessment
C2.1a	Take part in a group discussion.	Units 1 and 2	Critical appraisal of own and others' work. Discussion groups. Consultation with staff and others.
C2.1b	Give a talk of at least four minutes.	Units 1 and 2	Presentation to peer group on art, design or craft issues. Critical/contextual presentation using appropriate presentation techniques. Presentation using OHP, computer, slides, CD ROM or DVD. This could explore the work of a single artist, a movement or a critical issue, but the emphasis must be on the use of imagery.

Key skill (Level 2) Communication (<i>continued</i>)		Unit	Opportunities for development or internal assessment
C2.2	Read and summarise information from at least two documents about the same subject. Each document must be a minimum of 500 words long.	Units 1 and 2	Research artists or movements, using two separate sources of information. Produce a summary of the information in written or visual/written form.
C2.3	Write two different types of documents each one giving different information. One document must be at least 500 words long.	Units 1 and 2	Produce an annotated sketchbook, that includes references to past and contemporary art and design, and a record of personal ideas development Produce a piece of writing about an artist or movement that subsequently informs the development of your work. Use at least one image, either to obtain or convey information, in one of the documents you produce.

Key skill (Level 2) Information and communication technology		Unit	Opportunities for development or internal assessment
ICT2.1	Search for and select information to meet your needs. Use different information sources for each task and multiple search criteria in at least one case.	Units 1 and 2	Use CD ROM and internet sources in the development of ideas, and in researching the work of others.
ICT2.2	Enter and develop the information to suit the task and derive new information.	Units 1 and 2	Search the internet for an information source. Refine and develop the searching process until relevant or new information is found. Use this information to develop your own work and to explore the work of others.
ICT2.3	Present combined information such as text with image, text with number, image with number.	Units 1 and 2	Use a presentation package to present information to your peers. The information could be gained from a wide variety of sources. The presentation should be image based with a supporting leaflet. Present information about the work of an artist to your peers and refer to any mathematical principles present in their work, for example proportion, ratio.

Key skill (Level 2) Improving own learning and performance		Unit	Opportunities for development or internal assessment
LP2.1	Help set targets with an appropriate person and plan how these will be met.	Units 1 and 2	Produce a time management plan for a project for one week. Produce a time management plan for a major project of at least one month's work. Agree a time schedule for production of controlled assessment activities. Produce a course diary in an illustrated form.
LP2.2	Take responsibility for some decisions about your learning, using your plan to help meet targets and improve your performance.	Units 1 and 2	Produce a project diary. Present the finished product in the context of an exhibition. Develop action points from tutorials and discussions about the development of your portfolio.
LP2.3	Review progress with an appropriate person and provide evidence of your achievements.	Units 1 and 2	Demonstrate that plans have been modified as the project has progressed. Show modifications to plans in working drawings, studies or any other visual form. Use formative self-assessment and keep a portfolio of your work.

Key skill (Level 2) Problem solving		Unit	Opportunities for development or internal assessment
PS2.1	Identify a problem, with help from an appropriate person, and identify different ways of tackling it.	Units 1 and 2	Recognise an art and design-based problem. Outline the problem in written and visual form. Agree the standards that define to what degree the problem has been solved.
PS2.2	Plan and try out at least one way of solving the problem.	Units 1 and 2	Using your sketchbook as a way of recording ideas, explore an art and design-based problem and the range of possible solutions available to you. Explain why one solution was chosen over the others, and describe the criteria for success.
PS2.3	Check if the problem has been solved and identify ways to improve problem-solving skills.	Unit 1 and Unit 2	Having explored an art and design-based problem and possible solutions, implement one solution and produce a piece of work. Review and record your progress as you develop the piece.

Key skill (Level 2) Working with others	Unit	Opportunities for development or internal assessment
W02.1 Plan work with others.	Units 1 and 2	Plan a presentation as a group. Plan a visit to a museum or gallery. Plan an exhibition in your centre or community. Plan a performance in a group. Plan and make a video or animation. Plan and make environmental installations or sculpture. Plan and produce graphic communication work for a book or magazine.
W02.2 Work co-operatively towards achieving the identified objectives.	Units 1 and 2	Make contributions to an agreed group activity. Provide information in any of the planning processes outlined above.
W02.3 Review your contributions and agree ways to improve work with others.	Units 1 and 2	Participate in group discussions to are review outcomes. Take notes or minutes during the planning process. Develop storyboards or sketchbooks that review decisions and form part of the planning process.
